

Cropping

The Cropping component implements a [Crop Selection](#) to your analysis document.

You can select two activities (a starting activity and an ending activity). A [Selection](#) will be created for all cases that pass these two selected activities.

Configuration

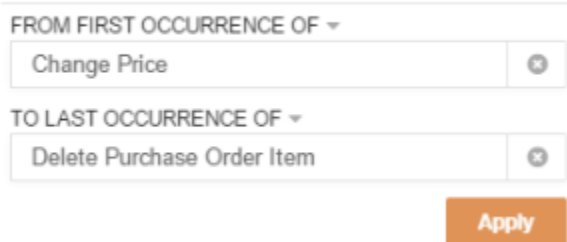

The following configuration options are available:

A configuration panel with a 'Title' text field at the top. Below it, under 'BORDER OPTIONS', is a checkbox for 'Show Border'. Under 'ALIGNMENT', there is a checked checkbox for 'Auto alignment' and two radio buttons for 'Horizontal' and 'Vertical', with 'Vertical' selected.

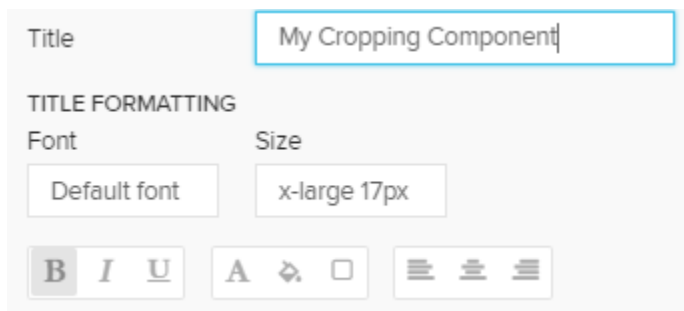

The title will appear above the Cropping component in your analysis sheet.

My Cropping Component

A configuration interface for a cropping component. It features two dropdown menus: 'FROM FIRST OCCURRENCE OF' with 'Change Price' selected, and 'TO LAST OCCURRENCE OF' with 'Delete Purchase Order Item' selected. An orange 'Apply' button is positioned below the dropdowns.

Please specify your desired title into the text field.

A configuration panel for the title. The 'Title' text field contains 'My Cropping Component'. Below it, under 'TITLE FORMATTING', are fields for 'Font' (set to 'Default font') and 'Size' (set to 'x-large 17px'). At the bottom, there are icons for bold (B), italic (I), underline (U), text color (A), background color, border color, and text orientation (left, center, right).

After typing in the first characters in the Title textfield, the formatting options will appear right below the textfield.

You may edit your font, its size ,text highlighting, colors (font-, background - and border color) and your text orientation.

The title will appear above the Cropping component in your analysis sheet.
