

Cropping

The Cropping component implements a [Crop Selection](#) to your analysis document.

You can select two activities (a starting activity and an ending activity). A [Selection](#) will be created for all cases that pass these two selected activities.

Configuration

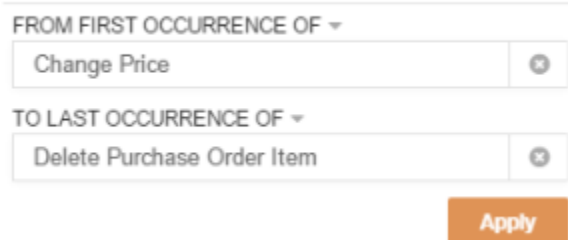

The following configuration options are available:

This configuration panel includes a 'Title' text field at the top. Below it, the 'BORDER OPTIONS' section contains a 'Show Border' checkbox. The 'ALIGNMENT' section features a checked 'Auto alignment' checkbox and two radio buttons for 'Horizontal' and 'Vertical' alignment, with 'Vertical' currently selected.

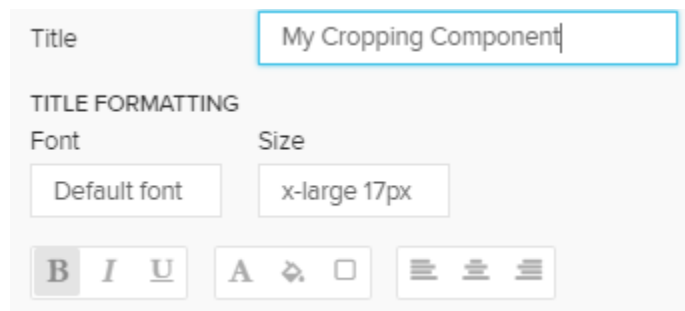

The title will appear above the Cropping component in your analysis sheet.

My Cropping Component

The interface shows two configuration rows. The first row is labeled 'FROM FIRST OCCURRENCE OF' and contains a text field with 'Change Price' and a clear icon. The second row is labeled 'TO LAST OCCURRENCE OF' and contains a text field with 'Delete Purchase Order Item' and a clear icon. An orange 'Apply' button is positioned below these fields.

Please specify your desired title into the text field.

This panel features a 'Title' text field containing 'My Cropping Component'. Below the field, the 'TITLE FORMATTING' section includes 'Font' (set to 'Default font') and 'Size' (set to 'x-large 17px') dropdowns. At the bottom, there are icons for bold (B), italic (I), underline (U), text color (A), background color, border color, and text orientation (left, center, right).

After typing in the first characters in the Title textfield, the formatting options will appear right below the textfield.

You may edit your font, its size ,text highlighting, colors (font-, background - and border color) and your text orientation.

The title will appear above the Cropping component in your analysis sheet.
